1713-A&B&C: Supervision

Not Met

1713-A&B&C:

A: Children shall be supervised at all times in the center, on the playground, on field trips, on non-vehicular excursions, and during all water activities and water play activities.

B: Children shall not be left alone in any room, (except the restroom as indicated in Subsection G), outdoors, or in vehicles, even momentarily, without staff present.

C: A staff person shall be assigned to supervise specific children whose names and whereabouts that staff person shall know and with whom the staff person shall be physically present. Staff shall be able to state how many children are in their care at all times.

Finding:

1713-A Based on Observations: Children were not under supervision at all times as Specialists observed Director leave the front room several times with (6) 2-3 year olds to open the front door for parents dropping off kids and to get a diaper bag out of the room.

1725-A.-D.: Medication Management Training

Not Met

1725-A.-D.: A. All staff members who administer medication shall have medication administration training.

B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.

C. Such training shall be completed every two years with an approved Child Care Health Consultant.

D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-D. Based on interview(s): The provider did not have at least two staff members trained in medication administration whether the early learning center administers medication or not.

1903-E.5: Outdoor - Enclosed

Not Met

1903-E.5: Outdoor play space shall be enclosed with a permanent fence or other permanent barrier in a manner that protects children from traffic hazards, prevents children from leaving the premises without proper supervision, and prevents contact with animals or unauthorized persons.

Finding:

1903-E.5 Based on observations: Outdoor play space lacked enclosure with a permanent fence or other permanent barrier in a manner that protects children from traffic hazards, prevents children from leaving the premises without proper supervision, and prevents contact with animals or unauthorized persons. When Specialists arrived at the center at approximately 8:45am, Specialist observed the side gate to the play yard open. When Specialist walked to the back of the building to see the gate, Specialist observed the back door to the center was open. No children were observed outdoor.

1919-A&B: Food Service and Nutrition - Menu

Not Met

1919-A&B: All meals and snacks provided by the center, and their preparation, service and storage, shall meet the requirements for meals of the U.S. Department of Agriculture (USDA) Child and Adult Care Food Program (CACFP) and 7 C.F.R. 226.20 and the Louisiana Sanitary Code, Title 51, Part XXIII, found at LAC 51:XXXIII. For the current CACFP meal patterns, contact the Louisiana Department of Education, Division of Nutrition Support.

The weekly menu shall:

1. be planned for each day of the week and list the specific food items served;
2. be prominently posted by the first day of each week and remain posted throughout the week; and
3. have substitutions or additions posted on or near the menu.

Finding:

1919-A&B Based on Observations: The center failed to have a current menu for the week posted in the center for parents to review. Specialists observed the menu for this week before Director made changes to it. The menu was for last week dates (9-5-16 to 9-9-16) and meals. Director added this weeks dates to the menu and scratched out food items and wrote in new items. Specialist observed that the children had ate pancakes and peaches but the menu originally stated biscuits and apples.
