### **1501-A: Operations**

**Not Met**

1501-A: A center shall operate within the licensed capacity, age range, hours of operation and other specific services designated on its license.

#### **Finding:**

1501-A Based on record review:

The Director did not notify the Licensing Division prior to making changes that had an effect on the license as the provider is providing field trip transportation without prior approved by the Licensing Division. Specialist found that center staff conducted a field trip to Circle Bowl on June 28, 2018; however, the center is not listed to provide transportation. S1 stated that the center was previously Licensed for Field trip Transportation; however, she was unaware that it was no longer on the License. S1 stated she would correct.
