

## Statement of Deficiencies

### 1901-M: Strings and Cords

Not Met

1901-M: Strings and cords, including but not limited to those found on equipment, window coverings, televisions and radios, shall be inaccessible to children under age 4.

#### Finding:

1901-M Based on observations: Strings and cords were accessible to children under age 4 as Licensing Specialist observed the cord for the humidifier not secured to the wall and within reach of the children in the 1-3 years old classroom; Licensing Specialist observed the cable wire for the television not secured to the wall and within reach of the children in the front classroom.

### 1911-K: Hand Washing

Not Met

1911-K: Staff and children shall wash their hands using soap at least at the following times: upon arrival at the center, before preparing or serving meals, before giving medication, after playing in water used by more than one person, after toileting, after helping a child use a toilet or changing diapers, after wiping noses or cleaning wounds, after handling pets and other animals, after playing in sandboxes, before eating meals or snacks, upon coming in from outdoors, after cleaning or handling garbage and anytime hands become soiled with body fluids, such as urine, saliva, blood or nasal discharge.

#### Finding:

1911-K Based on observations:

Children did not wash their hand with soap as needed. Licensing Special observed that children did not was their hands before eating their afternoon snack.

### 1919-A&B: Food Service and Nutrition - Menu

Not Met

1919-A&B: All meals and snacks provided by the center, and their preparation, service and storage, shall meet the requirements for meals of the U.S. Department of Agriculture (USDA) Child and Adult Care Food Program (CACFP) and 7 C.F.R. 226.20 and the Louisiana Sanitary Code, Title 51, Part XXIII, found at LAC 51:XXXIII. For the current CACFP meal patterns, contact the Louisiana Department of Education, Division of Nutrition Support.

The weekly menu shall:

1. be planned for each day of the week and list the specific food items served;
2. be prominently posted by the first day of each week and remain <b>posted</b> throughout the week; and
3. have substitutions or additions posted on or near the menu.

#### Finding:

1919-A&B: Based on observation/record review: The current weekly menu listing specific food items served for each day of the week failed to list the morning and afternoon snacks served to the children daily; The center's snacks including their preparation, service and storage, as specified under the Child Care Food Program of the United States Department of Agriculture, were not provided as popsicles were served for the afternoon snack. Serving two of the following components: fluid milk, meat and meat alternatives, vegetables, fruits, and grains was needed to meet the requirements.
