

Statement of Deficiencies

1507-A: Daily Attendance Records - Children

Not Met

1507-A: A daily attendance record for children shall be maintained that shall:

1. include the child's first and last name, arrival and departure times, and first and last name of person or entity to whom the child is released;
2. accurately reflect children on the center premises at any given time; and
3. be used to sign in and out if a child leaves and returns to the center during the day.

Finding:

1507-A Based on record review:

The center's daily attendance record for children did not accurately reflect the children on the child care premises at any given time as 33 children were present and 34 children were signed in on the log upon Specialist arrival on 9/20/18.

1507-B: Daily Attendance Records - Staff and Owners

Not Met

1507-B: A daily attendance record for all staff members and owners shall be maintained that shall:

1. include the first and last name of the staff member or owner and arrival and departure times;
2. accurately reflect the staff members and owners on the center premises at any given time; and
3. be used to document staff members and owners who leave and return to the center during the day

Finding:

1507-B Based on record review:

The center's staff and owner's daily attendance record did not accurately reflect persons on the child care premises at any given time. On 9/20/2018, S1 failed to have documentation of a sign in time. Specialist observed S1 on premises during licensing visit.

1711-A-B-D-G: Child to Staff Ratio

Not Met

1711-A-B-D-G: A. Child to staff ratios are established to ensure the safety of all children.

B. Minimum child to staff ratios shall be met at all times.

1. There shall be a minimum of two staff members present at an early learning center when more than one child is present.
 2. Only those staff members directly providing care, supervision or guidance to children shall be counted in the child to staff ratios.
- D. Minimum Child to Staff Ratios for Type II and Type III centers:

Ages of Children		Ratio
Infants under 1 year		5:1
1 year	7:1	
2 years		11:1
3 years	13:1	
4 years	15:1	
5 years	19:1	
6 years and up	23:1	

G. Mixed Age Groups - Minimum Child to Staff Ratios

1. An average of the child to staff ratios may be applied to mixed age groups of children ages 2, 3, 4 and 5
2. Child to staff ratios for children under age two are excluded from averaging.
3. When a mixed age group includes children younger than age two, the age of the youngest child determines the child to staff ratio for the group.
4. An average may be applied to a mixed age group consisting only of children ages 5 and older.

Finding:

1711-A.&B.1. Based on record review: Based on the center's children's daily attendance log and staff time cards for 9/20/18, provider did not have at a minimum of 2 child care staff present at an early learning center when more than one child is present. On 9/20/18, one staff (S2) was supervising 9 children under 12 months of age to 4 years old from 6:59 a.m. until a second staff (S4) arrived at 7:46 a.m. There was one child under 12 months of age, four - 2 year old children, two - 3 year old children and two - 4 year old child.

Statement of Deficiencies

1717-A: Independent Contractors Records

Not Met

1717-A: Independent Contractors. The following information shall be maintained for all independent contractors, including but not limited to therapeutic professionals, extracurricular personnel, contracted transportation drivers, Department of Education, Office of Early Childhood staff and local school district staff:

1. an information form that includes the person's name, address and phone number
2. a list of duties performed while present at the center; and
3. documentation of a CCCBC-based determination of eligibility for child care purposes from the department or documentation of the adult staff member not otherwise counted in child to staff ratios that accompanied the contractor at all times while the contractor was at the center when children were present, to include the date, contractor arrival and departure time, language stating that the contractor was accompanied by the staff member at all times while at the center when children were present, and the signature of both the contractor and the accompanying staff member.

Finding:

1717-A Based on record review: The provider failed to maintain documentation of a current CCCBC-based determination of eligibility for child care purposes from the department for independent contractor O1. Based on sign in documentation, O1 was on premises on 4/17/2018 and 5/15/2018

1901-C: End-of-Day Check

Not Met

1901-C: The entire center and play yard shall be checked after the last child departs to ensure that no child is left at the center and this check shall be documented. Documentation shall include date, time of visual check, and signature of the staff conducting the visual check.

Finding:

1901-C Based on record review:

The Provider did not document that the entire center and play yard is checked after the last child departs to ensure that no child is left unattended at the center. Based on records, the provider failed to have documentation that an end-of-day check was completed on 3/16/2018, 4/23/2018, and 6/29/2018.

1911-G: Pacifier Attached

Not Met

1911-G: Pacifiers attached to strings or ribbons shall not be placed around the neck or attached to the clothing of a child.

Finding:

1911-G Based on observations: On 9/20/2018, specialist observed C1 in infant classroom with S4 having a pacifier attached to clothing. Corrected at time of licensing visit.

1921-A: Emergency Preparedness and Evacuation Planning

Not Met

1921-A: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

Finding:

1921-A Based on record review: The provider failed to have a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies. There is no documentation that practice drills were conducted at least twice per year to include all children.
