

Statement of Deficiencies

1917-A: Medication Authorization

Not Met

1917-A: Written Authorization. No medication or special medical procedure shall be administered to a child unless authorized in writing by the parent. Such authorization shall include:

1. name of child;
2. drug name and strength;
3. date(s) to be administered;
4. directions for use, including the route (oral, topical), dosage, frequency, time and schedule and special instructions, if any. It is not acceptable to note "as indicated on bottle"; and
5. signature of parent and date of signature.

Finding:

1917-A Based on record review:

There was no written authorization from the parent to administer medication to a child as: C4 has an EpiPen at the center. The center has no written authorization to use the EpiPen for C4.

1917-K: Emergency Medication Plan and Records

Not Met

1917-K: Emergency Medications

1. Children who require emergency medications, such as an EpiPen or Benadryl, shall have a written plan of action that shall be updated as changes occur or at least every six months, and shall include:

- a. method of administration;
- b. symptoms that indicate the need for the medication;
- c. actions to take once symptoms occur;
- d. description of how to use the medication; and e. signature of parent and date of signature.

2. Medication administration records for emergency medication shall be maintained and include the following:

- a. symptoms that indicated the need for the medication;
- b. actions taken once symptoms occurred;
- c. description of how medication was administered;
- d. signature of administering staff member; and
- e. phone contact with the parent after administering emergency medication.

Finding:

1917-K Based on record review: A child who requires emergency medications, such as an EpiPen or Benadryl, did not have a written plan of action as evidence by: C4 has an EpiPen at the center. There is no written plan of action for the use of the EpiPen.

1921-E: Tornado Drills

Not Met

1921-E: Tornado drills shall be conducted at least once per month in the months of March, April, May, and June at various times of the day necessary to include all children and shall be documented.

Finding:

1921-E Based on record review:

There was no documentation of tornado drills that were conducted at least once per month during the months of March, April, May, and June in 2018.
