

Statement of Deficiencies

1911.A.: Care of Children - Diapers

Not Met

1911.A.: Diapers shall be changed when wet or soiled.

Finding:

1911.A: Based on interviews: S6 failed to change diapers when wet or soiled as S1 stated on an unknown date and an unknown time, S4 relieved S6 for break and observed the children in S6's care diapers were soiled and brought it to S1's attention. S1 stated S4 changed the soiled diapers and she spoke to S6 about proper diapering of the children in her care.
