Finding:

1703.B Based on record review: Center failed to obtain documentation of a satisfactory fingerprint based CBC for O1 prior to being present at the center. According to the center's visitor log O1 was signed in at the center on 9/11/17 at 9:00 am. O1 provided S1 with documentation from the East Baton Rouge Parish School system of a "request for verification of a background check." S1 stated that she contacted the director of the class observations and was advised that the documentation provided was acceptable for use. Specialist was unable to review any documentation during the visit to the center on 9/26/17 that an affidavit or satisfactory fingerprint based CBC was completed for O1 prior to visiting the center.
