

Statement of Deficiencies

1919-C: Food Allergies and Special Diets

Not Met

1919-C: Information regarding food allergies and special diets of children shall be posted in the food preparation area with special care taken to ensure that individual names of children are not in public view. If a parent chooses to allow the center to post the child's name and allergy information in public view, the center shall obtain a signed and dated authorization from the parent.

Finding:

1919-C Based on observations: The center did not obtain a signed and dated authorization from the parent to post the child's name and allergy information in public view. The center corrected during inspection.

1919-D.2: Food Service and Nutrition - Choking Hazards

Not Met

1919-D.2: Children under age 4 shall not have foods that are implicated in choking incidents. Examples of these foods include but are not limited to: whole hot dogs, hot dogs sliced in rounds, raw carrot rounds, whole grapes, hard candy, nuts, seeds, raw peas, hard pretzels, chips, peanuts, popcorn, marshmallows, spoonful of peanut butter, and chunks of meat larger than what can be swallowed whole.

Finding:

1919-D.2 Based on observations: The center allowed children under age 4 to be served chunks of meat larger than what can be swallowed whole which is implicated in choking incidents. As evident by Specialists observed large chunks of sausage being served to children under the age of 4 during inspection.
