

Statement of Deficiencies

1725-A.-D.: Medication Management Training

Not Met

1725-A.-D.: A. All staff members who administer medication shall have medication administration training.

B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.

C. Such training shall be completed every two years with an approved Child Care Health Consultant.

D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-D. Medication Management Training: Based on record review the center did not have at least two staff members trained in medication administration whether the early learning center administers medication or not. S1, S3 and S8 last completed the required bi-yearly medication management training on 7/16/16 and their training certificates expired on 7/16/18. S1 states that the center staff has a medication management training scheduled for 9/29/18 @ 9:30 AM.
