#### **Finding:**

1503.A.-C. Based on interview(s)/record review at 2:20 pm, S1 lacked required documentation of current commercial liability insurance for the operation of the center to ensure medical coverage for children in the event of accident or injury as LS requested S1 provide this information during the licensing visit. S1 stated she did not have an updated insurance policy to provide and that an updated copy was being mailed to her from Webster Parish Community Services office. LS observed the center's previous commercial liability insurance expired on 7/23/19.
