Finding:

1711.A.&B.&D.&G.: Based on interviews/record review at 11:00am: On 5/14/19 at approximately 3:32 pm, the Provider failed to meet the required child to staff ratio for children of the following ages: 22 one and two year olds (5 one year olds and 17 two year olds) with 2 staff (S17 and S8). The required ratio for 22 children of this age is children per 3 staff persons. S8, S17, and S18 were on the playground supervising 22 one and two year olds; S18 went inside of the building, causing child to staff ratio to not be met.
