

## Statement of Deficiencies

### 1103.A.-D.: Critical Incidents and Required Notifications

Not Met

1103.A.-D.: An early learning center shall make immediate notification to emergency personnel, law enforcement as applicable, and other appropriate agencies for the following types of critical incidents involving children in care:

1. death;
  2. serious injury or illness that required medical attention;
  3. a child left unsupervised for any amount of time;
  4. use of prohibited behavior management as described in § 1509.A.8.b;
  5. allegations or suspicion of child abuse or neglect by center staff;
  6. an accident involving the transportation of children; or
  7. any other significant event relating to the health, safety, or well-being of any child, including but not limited to a lost child, an emergency situation, fire or other structural damage, or closure of the center.
- B. The parent shall be contacted immediately following any immediate notifications made under Subsection A.
- C. The LDE and other appropriate agencies, such as DCFS, LDH and the Office of State Fire Marshal, as applicable, shall be notified via email within 24 hours of the incident.
- D. The department shall be notified by written report within 24 hours of the incident or the next business day. This written notification shall be made on the department's Critical Incidents Report Form and shall contain all information requested on the form.

#### Finding:

1103.A.-D. Based on interview(s)/record review at approximately 10:05 a.m., S1 failed to notify Child Welfare within 24 hours of the following critical incident: On 9/22/2022 at approximately 4:00 p.m., O1, C1's mother, notified S1 that C1, 3-years-old, told her that S1 hit the palm of her hand after she had a potty accident that day, time unknown. S1 notified Child Welfare on 10/6/2022.

Corrective Action Plan: Effective 10/6/2022, S1 stated she will notify Child Welfare of any future allegations, even if she knows they are false to ensure this regulation is met.
