

## ***Statement of Deficiencies***

### **1713.J.: Rest Time Supervision**

**Not Met**

1713.J.: 1. If two rooms share a common doorway, one staff member may supervise the resting children in both rooms.

2. If the view of the staff supervising the children is obstructed by an object such as a low shelving unit, children shall be checked by sight by staff circulating among the resting children.

#### **Finding:**

1713.J. Based on observations on 10/10/19 at 1:35pm during naptime, 17 children three-four years were in classroom without a staff present in the classroom. S1 reported that S3, who was supervising the classroom of 24 three-five year olds across hallway, was watching both classrooms which were across the hall from each other. It was reported that S4 was responsible for the unsupervised class had ran an errand across the street from center. S4 did return during this inspection. Note: These two classrooms do not share a common doorway.
