#### **Finding:**

1721.A.-B.: Continuing Education Training. Based on record Review: On 10/14/2019 at 12:00 PM, Specialist reviewed records and noted that 4 of 8 staff did not obtain a minimum of 12 clock hours of continuing education per center anniversary year and copies of certificates of completion or attendance records were not maintained at the center and available for inspection by the department upon request. This is in addition to the required training from the Department of Health, Pediatric First Aid and Infant/Child/Adult CPR.
