

Statement of Deficiencies

1725-A.-D.: Medication Management Training

Not Met

- 1725-A.-D.: A. All staff members who administer medication shall have medication administration training.
B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.
C. Such training shall be completed every two years with an approved Child Care Health Consultant.
D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-D. Based on record review: All staff members who administer medication must have medication administration training. Whether administering medication or not, each early learning center did not have at least two staff members trained in medication administration.

2101-A.15: Transportation - Contract to Provide Transportation

Not Met

2101-A.15: Centers using contract transportation shall maintain a copy of the written contract that includes an express provision stating that the contractor shall comply with all state laws and regulations, as amended, regarding motor vehicles, including but not limited to seat belts and child restraints.

Finding:

2101-A.15 Based on record review: The Center did not show documented proof of its Contractual Agreement for transporting children on field trips. The center's last field trip was in 2016. The Contractual Agreement must comply with all state laws and regulations, as amended, regarding motor vehicles, including but not limited to seat belts and child restraints.
