

## ***Statement of Deficiencies***

### **1725-A.-D.: Medication Management Training**

**Not Met**

1725-A.-D.: A. All staff members who administer medication shall have medication administration training.

B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.

C. Such training shall be completed every two years with an approved Child Care Health Consultant.

D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

#### **Finding:**

1725-A.-D. Medication Management Training: Based on record review: The provider did not have at least two staff members trained in medication administration whether the early learning center administers medication or not. On 10/17/18 the Specialist identified that the center only had 1 staff (S6) with a current medication management training.
