

## **Statement of Deficiencies**

### **1723.A.&B.: CPR Certification**

**Not Met**

1723.A.&B.: A. Infant and child CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR through training approved by the department.

#### **Finding:**

1723.A.&B. Based on record review: On 10/17/19 at 11:00pm, Specialist reviewed staff files and observed that the center failed to have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in infant and child CPR through training approved by the department. 3 of 10 staff had documentation of this certification. S2 and S9's certification had expired. S1 stated that they are in the process of scheduling a class.
