

Statement of Deficiencies

1915-A: Health Services - Observation

Not Met

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915-A Based on observations/record review: The provider did not document observations, when something is observed, noted on children upon arrival to the center. Results including an explanation from parent and/or child were not documented.

1921-E: Tornado Drills

Not Met

1921-E: Tornado drills shall be conducted at least once per month in the months of March, April, May, and June at various times of the day necessary to include all children and shall be documented.

Finding:

1921-E Based on record review: The provider did not have documentation of tornado drills that were conducted at least once per month during the months of March, April, May, and June. Date of tornado drills were March, April, and June. May's tornado drill is missing.
