

Statement of Deficiencies

1725-A.-D.: Medication Management Training

Not Met

- 1725-A.-D.: A. All staff members who administer medication shall have medication administration training.
B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.
C. Such training shall be completed every two years with an approved Child Care Health Consultant.
D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-D. Based on record review on 10/18/2018, the center failed to have at least two staff members trained in medication administration. S1 is currently the only staff with the training. S1 stated that the class has not been offered yet and that the next class is not until 10/27/18.

2103-A: Parental Authorization

Not Met

2103-A: Written authorization shall be obtained from a parent to transport a child on a regular basis. Such authorization shall include the name of the child, the type of transportation (to and from school, to and from home) and the names of individuals, schools, or other entities to whom the child may be released.

Finding:

2103-A Based on record review on 10/18/2018, S1 failed to have written authorization obtained from the parent to transport C10 from Kerr Elementary on the center vehicle.
