Finding:

1707-A.1: Based on observations/interviews/record review: The Center did not have a qualified Director who is an on-site full time staff person at the center during the day time hours of operation (prior to 9:00 p.m.) and responsible for planning, managing, and controlling the center's daily activities, as well as responding to parental concerns and ensuring that minimum licensing requirements are met. Specialist found that S 15 is the listed director, however, S15 is no longer a center staff. Specialist found that S5 is now a classroom staff and no longer director/designee. S1 stated that she is the current center director, and S2 is the current center director designee. Specialist found that S1 has not been certified as the director.
