Finding:

1721.A.: Continuing Education Training: Based on record review: There was no documentation that the center staff of an early learning center, excluding Foster Grandparents, provided opportunities for staff members to obtain a minimum of 12 clock hours of training annually in the topics found in §1719(A) and (B). Four of twelve staff did not have the required continuing education training. This is in addition to the required training from the Department of Health, Pediatric First Aid and Infant/Child/Adult CPR. Specialist completed a review of staff files at 9:25am, and determined that S3, S4, and S10 needed an additional .50 hours and S7 needed an additional 4.50 hours to meet the minimum requirement of 12 clock hours.
