

## Statement of Deficiencies

### 1509-A.11: Programs, Movies and Video Games Policy

Not Met

1509-A.11: Programs, Movies and Video Games Policy

- a. Programs, movies, and video games with violent or adult content, including but not limited to soap operas, television news, and sports programs aimed at audiences other than children, shall not be permitted in the presence of children.
- b. All television, video, DVD, or other programming shall be suitable for the youngest child present.
- c. "PG" programming or its television equivalent shall not be shown to children under age 5.
- d. "PG" programming shall only be viewed by children age 5 and above and shall require written parental authorization.
- e. Any programming with a rating more restrictive than "PG" is prohibited.
- f. All video games shall be suitable for the youngest child with access to the games.
  - i. "E10+" rated games shall be permitted for children ages 10 years and older.
  - ii. "T" and "M" rated games are prohibited.

#### Finding:

1509-A.11 Based on record review: The Center did not show documented proof of its Programs and Movies Policy to include:

- a. Programs and movies with violent or adult content, including but not limited to soap operas, television news, and sports programs aimed at audiences other than children, shall not be permitted in the presence of children.
- b. All television, video, DVD, or other programming shall be suitable for the youngest child present.
- c. "PG" programming or its television equivalent shall not be shown to children under age 5.
- d. "PG" programming shall only be viewed by children age 5 and above and shall require written parental authorization.
- e. Any programming with a rating more restrictive than "PG" is prohibited.
- f. All video games shall be suitable for the youngest child with access to the games.
  - i. "E10+" rated games shall be permitted for children ages 10 years and older.
  - ii. "T" and "M" rated games are prohibited.

### 1715-A.4: Criminal Background Check

Not Met

1715-A.4: Personnel files for each staff member shall be maintained at the center and shall include the following: documentation of a fingerprint based satisfactory criminal background check

#### Finding:

1715-A.4 Based on record review/interviews: The Center did not show documented proof of its waiver documentation for S7 to include: Certification of No convictions of prohibited crimes, confirmation of submission of S7's fingerprints and the waiver letter dated 08/03/2017. S4 stated that S7 was hired effective 08/25/2017 at the provider's center 11 effective 08/25/2017. S4 was transferred to the current center effective 10/23/2017. S7's Criminal Background Check was received on 09/09/2017.

### 1715-A.5: State Central Registry

Not Met

1715-A.5: Personnel files for each staff member shall be maintained at the center and shall include the following: documentation of a current, completed state central registry disclosure form indicating no justified (valid) finding of abuse or neglect by the DCFS, or a current determination from the DCFS indicating that the individual does not pose a risk to children.

#### Finding:

1715-A.5 Based on record review: Personnel file for staff member, S6, did not include the following: Documentation of a current, completed state central registry disclosure form indicating no justified (valid) finding of abuse or neglect by the DCFS, or a current determination from the DCFS indicating that the individual does not pose a risk to children. S6's last completed State Central Registry form was completed on 09/15/2015.

### 1915-A: Health Services - Observation

Not Met

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

#### Finding:

## Statement of Deficiencies

### 1921-A: Emergency Preparedness and Evacuation Planning

Not Met

1921-A: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

#### Finding:

1921-A Based on record review: The Center did not show documented proof of its Emergency Preparedness and Evacuation Plan that include at a minimum:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
