

## Statement of Deficiencies

### 1717-A: Independent Contractors Records

Not Met

1717-A: Independent Contractors. The following information shall be maintained for all independent contractors, including but not limited to therapeutic professionals, extracurricular personnel, contracted transportation drivers, Department of Education, Office of Early Childhood staff and local school district staff:

1. an information form that includes the person's name, address and phone number
2. a list of duties performed while present at the center; and
3. documentation of a fingerprint based satisfactory criminal background check dated prior to the individual being present at the center or documentation of the paid, adult staff member not otherwise counted in child to staff ratios that accompanied the contractor at all times while the contractor was on the center premises, to include the date, contractor arrival and departure time, language stating that the contractor was accompanied by the staff member at all times while on the premises, and the signature of both the contractor and the accompanying staff member.

#### Finding:

1717-A Based on record review: Provider did not have documentation on file for Independent Contractors that included person's name, address, phone number, list of duties performed while at the center. 3 of 3 Independent Contractors (O1-O3) did not have documentation on file to include name, address, phone number, list of duties performed while at the center.

### 1915-B.&C: Health Services - Parental Notification

Not Met

1915-B.&C:

B. Reporting. Incidents, injuries, accidents, illnesses, and unusual behavior shall be documented and reported to the parent no later than when the child is released to the parent or authorized representative on the day of the occurrence.

C. Immediate Notification. The parent shall be immediately notified in the following circumstances:

1. blood not contained in an adhesive strip;
2. head or neck or eye injury;
3. human bite that breaks the skin;
4. animal bite;
5. impaled object;
6. broken or dislodged teeth;
7. allergic reaction skin changes (e.g. rash, spots, swelling, etc.);
8. unusual breathing;
9. symptoms of dehydration;
10. temperature reading over 101° oral, 102° rectal, or 100° axillary; or
11. injury or illness requiring professional medical attention.

#### Finding:

1915-B & C based on observation/record review: The Provider did not have documentation of immediate notification to the parent when the following occurred to a child: Specialist observed a child hit his head on a bookshelf when he was walking back from the restroom. S5 observed the incident that occurred at 11:19 am on 10/25/17 but did not complete an accident form until 1:00 pm when Specialist asked to see the report. The parent was not notified until 1:10 pm on 10/25/17.

### 1921-C: Evacuation Pack

Not Met

1921-C: Evacuation Pack. The center shall have an evacuation pack, the location of which is known to all staff, that at a minimum shall contain:

1. a list of area emergency phone numbers;
2. a list of emergency contact information and emergency medical authorization for all enrolled children;
3. an emergency pick up form;
4. first aid supplies, hand sanitizer, wet wipes, and tissue;
5. diapers for children who are not toilet trained and plastic bags for diapers;
6. a battery powered flashlight and radio and batteries;
7. food for children under the age of 4, including infant food and formula; and
8. disposable cups and bottled water.

#### Finding:

1921-C Based on observations: the provider failed to have a completed evacuation pack. The provider failed to have the following: food for children under the age of 4, including infant food and formula. Specialist observed that the infant formula in the pack was expired and the evacuation pack did not include baby food.
