Finding:

1707-A.1&2 Based on Record Review/interview: The center's director is not an on-site full time employee of the licensed location and there was not an on-site full time qualified Director Designee given responsibility for for planning, managing, and controlling the center's daily activities, as well as responding to parental concerns and ensuring that minimum licensing requirements are met. On 10/26/18 Specialist reviewed staff attendance logs and observed that the assigned Director, S11, has not worked in the center since the opening on 9/1/18. The center has not had a licensing approved director designee on site full time since 9/1/18
