### **1723.A.&B.: CPR Certification**

**Not Met**

1723.A.&B.: A. Infant and child CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR through training approved by the department.

#### **Finding:**

1723.A.B: Based on record review/interview on 10/31/2019, S1 failed to maintain at least fifty percent of staff members or at least four staff on the premises and accessible to children, whichever is less, with current certification in infant, child, and adult CPR through training approved by the department as evidenced by 1 of 3 staff present had current CPR certification. Per S1's statement, she will schedule to take the next class. The center needed 1 additional staff present with current CPR certification to be in compliance. S1 and S3's CPR certification expired on 8/31/2019.
