

Statement of Deficiencies

309.A.5: State Fire Marshal

Not Met

309.A.5: Provider must provide written certification of current State Fire Marshal approval for the residence where care is being provided.

Finding:

309.A.5 Based on record review: Provider did not show documented proof of written certification of current State Fire Marshal approval for the residence where care is being provided.

309.A.17: Emergency Contact Information

Not Met

309.A.17: The provider has appropriate emergency phone numbers, such as fire and police, hospitals and Louisiana Poison Control, and the physical address and phone number for the residence in which care is provided posted in a prominent, easily visible location, and has a written emergency plan that protects children in the event of fire, flood, storm, hurricane, tornado, and snow and ice.

Finding:

309.A.17 Based on observations: The provider does not have emergency phone numbers in the residence where care is being provided. Phone numbers that are required are as follows: fire and police, hospitals and Louisiana Poison Control, and the physical address and phone number for the residence in which care is provided posted in a prominent, easily visible location, and has a written emergency plan that protects children in the event of fire, flood, storm, hurricane, tornado, and snow and ice.
