1725.A.-C.: Medication Management Training

Not Met

- 1725.A.-C.: A. All staff members who administer medication shall have medication administration training.
B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.
C. Such training shall be completed every two years with an approved child care health consultant.

Finding:

1725.B. Based on record review: At approximately 1:15pm, S1 failed to have at least two staff members trained in medication administration. 1 of 6 staff members, S5, have training in medication administration. S2's training expired in October 2019. S2 stated she thought the trainings expired after three years.
