1507-B: Daily Attendance Records - Staff and Owners

Not Met

1507-B: A daily attendance record for all staff members and owners shall be maintained that shall:

1. include the first and last name of the staff member or owner and arrival and departure times;
2. accurately reflect the staff members and owners on the center premises at any given time; and
3. be used to document staff members and owners who leave and return to the center during the day

Finding:

****NEW**** 1507-B Based on observations/record review: The center's staff and owner's daily attendance record did not accurately reflect persons on the child care premises at any given time as evidenced by Specialist's observation of three staff on premises, but four staff being signed into the log upon arrival. S4 left premises, but had not signed out of the log.
