

Statement of Deficiencies

1507.B.: Daily Attendance Records - Staff and Owners

Not Met

1507.B.: A daily attendance record for all staff members and owners shall be maintained that shall:

1. include the first and last name of the staff member or owner and arrival and departure times;
2. accurately reflect the staff members and owners on the center premises at any given time; and
3. be used to document staff members and owners who leave and return to the center during the day

Finding:

1507.B. Based on observations/record review:

The center's staff and owner's daily attendance record did not accurately reflect persons on the child care premises at any given time. At 9:48am, Specialist observed S2 in the center. S2 was not signed in on the staff daily attendance.

1515.A.1.: Child Records and Cumulative Files

Not Met

1515.A.1.: A cumulative file shall be maintained on each child that shall include the following records:

1. An information form signed and dated by the parent and updated as changes occur, that contains:
 - a. name of child, date of birth, sex, date of admission;
 - b. name of parents and the home address of both child and parents;
 - c. phone numbers where parents may be reached while child is in care;
 - d. name and phone number of person to contact in an emergency if parents cannot be located promptly;
 - e. name and telephone number of child's physician, if applicable;
 - f. name and telephone number of the child's dentist, if applicable;
 - g. any special concerns, including but not limited to allergies, chronic illnesses, and any special needs of the child, if applicable;
 - h. any special dietary needs, restrictions or food allergies or intolerances, if applicable. See Paragraph 4;

Finding:

1515.A.1. Based on record review/interview:

One of 11 children's records reviewed did not contain a Child's Information Form. S4 did not have information available for review for C1. S1 stated she is waiting on C1's mother to "turn in the paperwork".

1515.A.2.: Emergency Medical Treatment

Not Met

1515.A.2.: Written authorization signed and dated by the parent to secure emergency medical treatment;

Finding:

1515.A.2. Based on record review/interview: One of 11 children's records lacked a signed and dated parental authorization to secure emergency medical treatment. S4 did not have information available for review for C1. S1 stated she is waiting on C1's mother to "turn in the paperwork".

1515.A.3.: Releasing of Children

Not Met

1515.A.3.: Written authorization signed and dated by the parent noting the first and last names of individuals to whom the child may be released other than the parents, including any other early learning centers, transportation services, and any person or persons who may remove the child from the center.

- a. The parent may further authorize additional individuals via a text message, fax or email to the center in unplanned situations and follow it with a written authorization.
- b. A child shall never be released to anyone unless authorized in writing by the parent.
- c. Any additions and deletions to the list of authorized individuals shall be signed and dated by the parent.
- d. The center shall verify the identity of the authorized person prior to releasing the child.

Finding:

1515.A.3. Based on record review/interview: The provider did not have written authorization signed and dated by the parent noting the first and last names of individuals to whom the child may be released other than the parents, including any other early learning centers, transportation services, and any person or persons who may remove the child from the center. S4 did not have information available for review for C1. S1 stated she is waiting on C1's mother to "turn in the paperwork".

Statement of Deficiencies

1711.A.&B.&D.&G.: Child to Staff Ratio

Not Met

1711.A.&B.&D.&G.: A. Child to staff ratios are established to ensure the safety of all children.

B. Minimum child to staff ratios shall be met at all times.

1. There shall be a minimum of two staff members present at an early learning center when more than one child is present.
 2. Only those staff members directly providing care, supervision or guidance to children shall be counted in the child to staff ratios.
- D. Minimum Child to Staff Ratios for Type II and Type III centers:

Ages of Children	Ratio
Infants under 1 year	5:1
1 year	7:1
2 years	11:1
3 years	13:1
4 years	15:1
5 years	19:1
6 years and up	23:1

G. Mixed Age Groups - Minimum Child to Staff Ratios

1. An average of the child to staff ratios may be applied to mixed age groups of children ages 2, 3, 4 and 5
2. Child to staff ratios for children under age two are excluded from averaging.
3. When a mixed age group includes children younger than age two, the age of the youngest child determines the child to staff ratio for the group.
4. An average may be applied to a mixed age group consisting only of children ages 5 and older.

Finding:

1711: A & B & D & G Based on observation/interview: Upon Specialist completing the census of S1's classroom at 9:47am, S1's class failed to meet the required child to staff ratio for children. According to S1, her class contained 1 five month old and 5 three and four year old children. The required ratio for infants is five children per 1 staff person. At 10:25am, ratio was met by staff adjusting the children in the center to S1 and S3 combining their classes to have 18 children, ages one year to five years, and S2 having five children ages five months to one year of age.
