1921.E.: Tornado Drills

Not Met

1921.E.: Tornado drills shall be conducted at least once per month in the months of March, April, May, and June at various times of the day necessary to include all children and shall be documented.

Finding:

1921.E. Based on record review: The provider did not have documentation of tornado drills that were conducted at least once per month during the months of March, April, May, and June. At 2:45pm Specialist reviewed files for tornado drills and found a "disaster drill" that was conducted in March. S1 stated she was unsure if this was a tornado drill or not. Specialist found no other drills for April and May. The center is closed in June.
