

Statement of Deficiencies

1909-C: Infants - Positioning Devices

Not Met

1909-C: Infants shall not be placed in positioning devices, unless the center has written authorization from a physician to use a positioning device.

Finding:

1909-C Based on observations/record review/interview(s): Written authorization from a physician was not available for 1 infant to use a positioning device. On 11/14/16 Specialist observed C1 in a crib propped up on a boppy pillow inside of the crib. S7 was supervising C1 at the time of inspection. When the Specialist asked to see the physician's authorization for C1 to utilize a positioning device the provider was unable to provide. S2 removed the boppy pillow from the crib while Specialist was still in the room.

1909-H: Infant - Placed Over Head or Face

Not Met

1909-H: Nothing shall be placed over the head or face of an infant.

Finding:

1909-H Based on observations: An Infant's head/face was covered. On 11/1/16 Specialist observed C2 with a pink blanket over her head. C2 was awake in her crib and was being supervised by S7 at the time of inspection. When Specialist informed provider; S2 removed the blanket from the crib immediately.

1919-H: Infants Held While Bottle Fed

Not Met

1919-H: Infants that cannot hold a bottle shall be held while being bottle-fed. A child shall not be placed lying down on a mat or otherwise with a bottle, sippy cup, etc. A bottle shall not be propped at any time.

Finding:

1919-H Based on observations: Specialist observed a child placed in crib with a bottle. On 11/14/16 Specialist observed C3 in the crib sleeping with a bottle next to him. C3 was being supervised by S7 at the time of inspection. Specialist informed provider that infants must be held when being bottle fed. S2 stated that she thought that infants could hold their own bottle if there is authorization from a parent. S2 removed the bottle from the crib immediately after being informed of the licensing regulation. Specialist asked provider for the bottle authorization form and they provided for 5319-H with a signature and date of 9/1/16.
