

## ***Statement of Deficiencies***

### **1723.A.&B.: CPR Certification**

**Not Met**

1723.A.&B.: A. Infant and child CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR through training approved by the department.

#### **Finding:**

1723.A. Based on record review: At approximately, 12:35pm, S1 failed to have at least fifty percent or at least four staff on the premises and accessible to children, whichever is less, that have current certification in infant and child CPR through training approved by the department. 2 of 5 staff present, S2 and S3, have current certification. S1 stated S5 is scheduled to take the training on Saturday, and S1 is scheduled at the end of the month.

### **1723.C.: Pediatric First Aid**

**Not Met**

1723.C.: Pediatric First Aid. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in pediatric first aid through training approved by the department.

#### **Finding:**

1723.C. Based on record review: At approximately, 12:35pm, S1 failed to have at least fifty percent or at least four staff on the premises and accessible to children, whichever is less, that have current certification in Pediatric First Aid through training approved by the department. 2 of 5 staff present, S2 and S3, have current certification. S1 stated S5 is scheduled to take the training on Saturday, and S1 is scheduled at the end of the month.
