Finding:

713.A Based on record review/interview(s): The Provider lacked documentation of a current annual inspection and approval from the Office of Public Health. On 11/15/16 while completing inspection Specialist identified that the center did not have a valid Office of Public Health inspection. The provider contacted the Health Inspector and asked why they had not had a recent inspection. S1 states that the inspector told her that they had never received notice from the headquarter to come out to the center after the change of ownership. S1 states that the Health Inspector would be out to inspect the building at 10 AM on 11/16/16. The date of the last approval is 10/19/15.
