

Statement of Deficiencies

1715-A.4: Criminal Background Check

Not Met

1715-A.4: Personnel files for each staff member shall be maintained at the center and shall include the following: documentation of a fingerprint based satisfactory criminal background check

Finding:

1715-A.4 Based on record review: S1, S3 and S7 provided a copy of their certified criminal background check (RTR), however, the provider failed to obtain a new satisfactory criminal background check from the Louisiana State Police for this staff prior to the one year date of issuance of the previous certified criminal background check in order for the individual to continue employment at the center (1703.E). S1 completed another right to review dated 10/13/17, S3 completed another right to review on 10/13/17 and S7 completed another right to review on 10/17/17.

1723-A.&B.: CPR Certification

Not Met

1723-A.&B.: A - Infant and child CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR.

B - Adult CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR.

Finding:

1723-A. Based on record review: The Provider did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in infant and child CPR. One of three staff members present during specialist visit to the center on 11/15/17 had documentation of this certification.

1723-C.-D.: Pediatric First Aid

Not Met

1723-C.-D.:

C. Pediatric First Aid - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in Pediatric First Aid.

D. Certification - A copy of the certification for each such staff member shall be on-site at all times and available for inspection by the Licensing Division.

Finding:

1723-C.-D. Based on record review: The center did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in Pediatric First Aid. One of three staff members present during specialist visit on 11/15/17 had documentation of this certification.
