

## **Statement of Deficiencies**

### **7312-E.3: PFA**

**Not Met**

7312-E.3: A minimum of at least 50 percent of all staff on the premises and accessible to children shall have documentation of current pediatric first aid certification. Original cards shall be made available upon request. This certification shall be approved by the Department of Social Services prior to acceptance.

#### **Finding:**

The Provider did not have documentation that at least 50 percent of the staff on the premises and accessible to children at all times has current approved Pediatric First Aid training. Per center's staff attendance logs (the last 2 weeks were examined) in conjunction with their PFA documentation, the facility failed to have at least 50% of the staff on the premises with approved documentation of this training for the following times:

- 11/20/13: from 8:40am through 11:30am, there was 2 of 5 staff signed in as present with approved documented training; from 1:30pm through 2:00pm, there was 1 of 4 staff signed in as present with approved documented training; from 2:00pm through 3:30pm, there was 2 of 5 staff signed in as present with approved documented training; from 3:30pm through 4:00pm, there was 1 of 4 staff signed in as present with approved documented training; from 4:00pm through 4:30pm, there was 1 of 3 staff signed in as present with approved documented training.
  - 11/19/13, 11/18/13, 11/14/13, 11/13/13, and 11/12/13: from 4pm through 4:30pm, there was 1 of 3 staff signed in as present with approved documented training
  - 11/11/13: from 1:30pm through 2pm and from 3pm through 4pm, there was 1 of 3 staff signed in as present with approved documented training
