1707-A.1&2: Required Staffing - Director/ Director Designee

Not Met

1707-A.1&2: Each center shall have a qualified director or qualified director designee.

1. The director or director designee shall be an on-site, full-time staff person at the center during the day time hours of operation (prior to 9:00 p.m.).
2. The director or director designee shall be responsible for planning, managing, and controlling the center's daily activities, as well as responding to parental concerns and ensuring that minimum licensing requirements are met.

Finding:

Based on Record Review/Observations/Interview: The center's directors, S8 and S13, are not an on-site staff. S1 stated that she is the center's designee. S1 stated that all documentation has been submitted for her to be director designee; however the office stated that nothing has been submitted and that is why it has not been updated. Center was cited for this on 10/15/18, however no action has been taken since.
