2101-A.8: Vehicle in Good Repair

Not Met

2101-A.8: Vehicles shall be maintained in good repair.

Finding:

2101-A.8 Based on observations/interview(s) on 11/27/2018, the center's vehicle was not maintained in good repair as evidenced by specialist observed the right passenger door would not open from the inside or the outside of the vehicle. Per S1's statement , the vehicle was taken to the repair shop on 07/31/2018 and 10/22/2018 to be repaired. S1 stated that on 10/22/2018 she was informed that she needed to order the part that would fix the door due to the mechanic not having that particular part on site. S1 stated that she ordered the part on 11/9/2018 and she received the part on 11/27/2018 via mail. S1 stated that the children enter the center's vehicle through the front passenger door to be seated in the rear of the van. S1 stated that her husband called the mechanic on today to schedule an appointment for the van to be repaired. This was not corrected prior to specialist departure.
