

## Statement of Deficiencies

### 1723-A.-B.: CPR Certification

Not Met

1723-A.-B.: A - Infant and child CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR.

B - Adult CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR.

#### Finding:

1723-A.-B. Based on observations, record review, and interview(s): Specialist found that only 1 of the 4 staff present had CPR certification. S2 had CPR certification and S3's certification expired 3/2018. S2 stated that she will get all employees to get their CPR certification.

### 1723-C.-D.: Pediatric First Aid

Not Met

1723-C.-D.:

C. Pediatric First Aid - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in Pediatric First Aid.

D. Certification - A copy of the certification for each such staff member shall be on-site at all times and available for inspection by the Licensing Division.

#### Finding:

1723-C.-D. Based on observations, record review, and interview(s): Specialist found that only 1 of the 4 staff present had First Aid certification. S2 had First Aid certification and S3's certification expired 3/2018. S2 stated that she will get all employees to get their First Aid certification.

### 1811-A.-B.: Requests for CCCBC-Based Determinations of Eligibility

Not Met

1811-A.-B.: A. An early learning center or an entity identified in §1809 shall request and obtain from the department a new CCCBC-based determination of eligibility for child care purposes for each required person:

1. prior to the person being present or performing services at the center when children are present; and
2. not less than once during a five-year period.

B. An early learning center or an entity identified in §1809 shall not be required to request and obtain from the department a new CCCBC-based determination of eligibility for child care purposes for a required person, and instead shall be able to request and obtain from the department the person's CCCBC-based determination of eligibility provided to another in-state child care provider or entity identified in §1809, if:

1. a child care provider within the state or an entity requested and obtained a CCCBC-based determination of eligibility for child care purposes from the department for the person within the past five years, while the person was seeking employment or employed by a in-state child care provider or seeking to provide or providing services at an early learning center in Louisiana for an entity;
2. the department provided to the initial requesting child care provider or entity a CCCBC-based determination indicating the person was eligible for child care purposes; and
3. the person is still employed by a child care provider within the state, or is still providing services in an early learning center within the state for an entity, or has been separated from a child care provider within the state or an entity for less than 180 consecutive days.

#### Finding:

1811-A.-B. Based on record review, and interview(s): Documentation of a CCCBC-based determination of eligibility (CCCBC) was not available for any of the 4 staff members present. However; S1 and S2 CCCBC's have been requested, but not approved. S2, S3, and S4 are incomplete. S1 stated that he was waiting on signatures from S2, S3, and S4. S1, S2, S3, S4, and S5 had their old CBC's in their file. Center is being recited for this deficiency.
