Finding:

1717-A Based on observations: The center did not have documentation of of the paid, adult staff member not otherwise counted in child to staff ratios that accompanied the contractor at all times while the contractor was on the center premises, to include the date, contractor arrival and departure time, language stating that the contractor was accompanied by the staff member at all times while on the premises, and the signature of both the contractor and the accompanying staff member for O1. Specialist arrived to the center at 9:30 am and was informed by S1 that a contractor was in the previous infant room completing work. Specialist observed that O1 was working without a paid, adult staff member accompanying him. S1 immediately placed S3 with O1 and had both parties to sign the independent contractor record.
