Not Met

7302-F: Conditions for Owners, Operators, Employees and Volunteers. Any owner, operator, current or prospective employee, or volunteer of a child care facility requesting licensure by the department and/or a child care facility licensed by the Department of Social Services is prohibited from working in a child care facility if the individual discloses, or as the result of information known or received by the Department of Social Services, that individual's name is recorded on the state central registry (SCR) as a perpetrator for a justified (valid) finding of abuse or neglect of a child, unless there is a finding by the Risk Evaluation Panel or a ruling by the Division of Administrative Law that the individual does not pose a risk to children.

1. An individual owning, operating, employed by or volunteering in a child care facility prior to January 1, 2010, licensed by the department shall be required to complete a state central registry disclosure form on or before February 1, 2010. This information shall be reported at the time of application, annually, at any time upon the request of the department, and within three working days of any such individual receiving notice of a justified (valid) determination of child abuse or neglect.

a. The owner, operator, and current employee/volunteer of the licensed child care facility shall complete, sign and date the state central registry disclosure form. The current or prospective employee/volunteer shall submit the disclosure form to the owner or operator of the facility. The owner or operator shall also be required to provide documentation of his or her state central registry disclosure form.

b. Any current employee/volunteer hired before January 1, 2010, who discloses that their name is recorded on the state central registry with a justified (valid) finding of abuse or neglect, or through reasonable suspicion, or as the result of information known or received by the Department of Social Services will have 10 calendar days from completion of the state central registry disclosure form to request a risk assessment evaluation in accordance with LAC 67:1.305 or shall be terminated immediately. As a condition of continued employment the employee/volunteer shall be directly supervised by another paid employee of the facility, who has not disclosed that their name appears with a justified (valid) finding on the state central registry. Under no circumstances may the staff person with the justified finding be left alone and unsupervised with the children pending the disposition of the Risk Evaluation Panel that they do not pose a risk to children. When these conditions are met, the employee/volunteer may be counted in child staff ratio. If the Risk Evaluation Panel finds the individual does pose a risk to children and the individual chooses not to appeal the finding, the employee/volunteer shall be terminated immediately. If the Risk Evaluation Panel finds the individual does pose a risk to children and the individual appeals the finding within the required timeframe, the employee/volunteer shall continue to have direct supervision at all times by another paid employee of the facility who has not disclosed that they have a justified finding on the state central registry until a ruling by the Division of Administrative Law that they do not pose a risk to children. Supervision may end effective with such a ruling from the Division of Administrative Law. If the Division of Administrative Law upholds the Risk Evaluation Panel finding that they do pose a risk to children, they shall be terminated immediately.

2. After January 1, 2010, any prospective owner, operator, or prospective employee/volunteer of a child care facility requesting licensure by the department and/or the child care facility requesting licensure by the department shall be required to complete a state central registry disclosure form. This information shall be reported at the time of application, annually, at any time upon the request of the department, and within three working days of any such individual receiving notice of a justified (valid) determination of child abuse or neglect.

a. The prospective employee/volunteer of a child care facility requesting licensure by the department and/or licensed child care facility shall complete, sign and date the state central registry disclosure form. The prospective employee/volunteer shall submit the disclosure form to the owner or operator of the facility. 3. SCR disclosure forms, documentation of any disposition of the Risk Evaluation Panel and, when applicable, the Division of Administrative Law ruling shall be maintained in accordance with current department licensing requirements and be available for review by Child Care Licensing and Regulatory personnel during the facility's hours of operation. They shall be kept on file a minimum of one year from termination of the employee or volunteer from the center.

4. Any information received or knowledge acquired that a current or prospective owner, operator, volunteer, employee or prospective employee or volunteer has falsified a state central registry disclosure form stating that they are not currently recorded as a perpetrator with a justified (valid) determination of abuse or neglect shall be reported in writing to a Child Care Licensing manager at the Department of Social Services, Office of Family Support, Child Care Licensing and Regulatory Section as soon as possible, but no later than the close of business on the next working day.
