1501-A: Operations

Not Met

1501-A: A center shall operate within the licensed capacity, age range, hours of operation and other specific services designated on its license.

Finding:

****NEW**** 1501-A. Based on observation/record review: The Director made changes that had an effect on the license as the provider is licensed to care for children ages 2 months to 12 years old and a child aged 13 years (C1) was being cared for on the childcare premises in the center's After School program. S7 stated C1 was the child of S1 and had just turned 13 years of age on 11/30/17.
