

## ***Statement of Deficiencies***

### **1919.A.&B.: Food Service and Nutrition - Menu**

**Not Met**

1919.A.&B.: A. All meals and snacks provided by the center, and their preparation, service and storage, shall meet the requirements for meals of the U. S. Department of Agriculture (USDA) Child and Adult Care Food Program (CACFP), 7 CFR 226.20, and LAC 51:XXIII.

B. The weekly menu shall:

1. be planned for each day of the week and list the specific food items served;
2. be prominently posted by the first day of each week and remain posted throughout the week; and
3. have substitutions or additions posted on or near the menu.

#### **Finding:**

1919.B.1 Based on Observations/Interviews: Center's weekly menu was not planned for each day of the week with list of the specific food items served for breakfast and snack. Specialist observed that the center's current food menu posted only includes what the center serves for lunch. S1 stated that she has not yet had a chance to make and post a menu for breakfast and snack. Specialist informed S1 that a daily menu must be posted of all meals and snacks served.
