

## ***Statement of Deficiencies***

### **1725-A.-E.: Medication Management Training**

**Not Met**

- 1725-A.-E.: A. All staff members who administer medication shall have medication administration training.
- B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.
- C. Such training shall be completed every two years with an approved Child Care Health Consultant.
- D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

#### **Finding:**

1725-A.-E. Based on record review:

The center did not have at least two staff members trained in medication administration whether the early learning center administers medication or not. The previous training received by the center staff expired in March 2017. S1 advised the training is scheduled for January 2018.
