

Statement of Deficiencies

1921-E: Tornado Drills

Not Met

1921-E: Tornado drills shall be conducted at least once per month in the months of March, April, May, and June at various times of the day necessary to include all children and shall be documented.

Finding:

1921-E Based on record review: The provider did not have documentation of tornado drills that were conducted at least once per month during the months of March, April, May, and June. On 12/15/16 during inspection the Specialist observed that the center did not have a tornado drill completed for the month of May 2016. The center had valid documentation of tornado drills completed for the months of March and April. The center did not have records of a tornado drill completed in May and the center is closed during the month of June.
