

Statement of Deficiencies

1723.A.&B.: CPR Certification

Not Met

1723.A.&B.: A. Infant and child CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR through training approved by the department.

Finding:

1723.A.&B. Based on record review: on 12/16/2020 at 11:15 AM, S1 failed to provide documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in Pediatric First Aid through training approved by the department. 0 staff had documentation of this certification. Certification for the center's staff expired on 10/2020.

Corrective Action Plan: Effective 1/9/2021, S1 stated they are scheduled to complete CPR & Pediatric First Aid training with Operation Life Savers.

1723.C.: Pediatric First Aid

Not Met

1723.C.: Pediatric First Aid. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in pediatric first aid through training approved by the department.

Finding:

1723.C. Based on record review: on 12/16/2020 at 11:15 AM, S1 failed to provide documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in Pediatric First Aid through training approved by the department. 0 staff had documentation of this certification. Certification for the center's staff expired on 10/2020.

Corrective Action Plan: Effective 1/9/2021, S1 stated they are scheduled to complete CPR & Pediatric First Aid training with Operation Life Savers.

1723.D.: Certification - More Than One Building

Not Met

1723.D.: When a center has more than one building, each building shall have at least one staff member present at all times certified in the CPR and First Aid appropriate for the age of the children present in the building.

Finding:

1723.D. Based on observation and record review: The center has three buildings and not at least one staff member present at all times certified in the CPR and First Aid appropriate for the age of the children present in the building. 0 staff had documentation of this certification. Certification for the center's staff expired on 10/2020.

Corrective Action Plan: Effective 1/9/2021, S1 stated they are scheduled to complete CPR & Pediatric First Aid training with Operation Life Savers.
