

## Statement of Deficiencies

### 1915-A: Health Services - Observation

Not Met

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

#### Finding:

1915-A Based on record review: The center's staff are not documenting the physical condition of each child upon arrival at the center as evidenced by, S3 and S6 did not have documentation that daily observations were conducted on the children in their classrooms on 12/18/17. Also, all observations when something was observed on a child at the center, did not have an explanation from the parent and/or child.

### 1915-B.&C: Health Services - Parental Notification

Not Met

1915-B.&C:

B. Reporting. Incidents, injuries, accidents, illnesses, and unusual behavior shall be documented and reported to the parent no later than when the child is released to the parent or authorized representative on the day of the occurrence.

C. Immediate Notification. The parent shall be immediately notified in the following circumstances:

1. blood not contained in an adhesive strip;
2. head or neck or eye injury;
3. human bite that breaks the skin;
4. animal bite;
5. impaled object;
6. broken or dislodged teeth;
7. allergic reaction skin changes (e.g. rash, spots, swelling, etc.);
8. unusual breathing;
9. symptoms of dehydration;
10. temperature reading over 101° oral, 102° rectal, or 100° axillary; or
11. injury or illness requiring professional medical attention.

#### Finding:

1915-B.&C Based on record review: There was no documentation of immediate notification to the parents when the following occurred to a child: bruise on the left cheek. Incident occurred at 10:00am on 11/15/17, and the parent was notified at 4:52pm. Also, on 11/6/17 at 9:05am, a child sustained a bump on the forehead above the left eyebrow, and the parent was notified at 4:45pm.

### 1921-A: Emergency Preparedness and Evacuation Planning

Not Met

1921-A: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

#### Finding:

1921-A Based on record review: There was no procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur at the center. There was no documentation that S10 reviewed the plan annually for accuracy and updated as changes occur. Also, S10 did not have documentation that the plan was reviewed with all staff at least once per year.
