

Statement of Deficiencies

1915-A: Health Services - Observation

Not Met

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915-A Based on record review: Center staff failed to have completed documentation of observations when something was observed on children upon arrival to the center. Specialist observed that staff members were documenting the results of the observation, however it failed to include an explanation from parent and/or child.
