

Statement of Deficiencies

1711.A.&B.&D.&G.: Child to Staff Ratio

Not Met

1711.A.&B.&D.&G.: A. Child to staff ratios are established to ensure the safety of all children.

B. Minimum child to staff ratios shall be met at all times.

1. There shall be a minimum of two staff members present at an early learning center when more than four children are present.
2. Only those staff members directly providing care, supervision or guidance to children shall be counted in the child to staff ratios.
3. The department's form noting required child-to-staff ratios shall be posted in each room included in the center's licensed capacity.
4. Minimum child-to-staff ratios for type II and type III centers are as follows.

Ages of Children	Ratio
Infants under 1 year	5:1
1 year	7:1
2 years	11:1
3 years	13:1
4 years	15:1
5 years	19:1
6 years and up	23:1

G. Mixed Age Groups? Minimum Child to Staff Ratios

1. An average of the child to staff ratios may be applied to mixed age groups of children ages two, three, four and five.
2. Child to staff ratios for children under age two are excluded from averaging.
3. When a mixed age group includes children younger than age two, the age of the youngest child determines the child to staff ratio for the group.
4. An average may be applied to a mixed age group consisting only of children ages five and older.

Finding:

1711.A.&B. &D.: Based on observation at 9:40 a.m., S1 failed to meet the required child to staff ratio. Specialist observed (3) one-year-olds and (7) two-year-olds with S4. The required ratio for children of this age is 7 children per 1 staff person. Ratio was corrected at 11:00 a.m. when C2 and C3, age 1-year-old were removed from S4's classroom, and placed in the care of S8 and S9. C4, age 2-years-old was removed from S4's classroom and placed in the care of S2 and S3. S1 stated she thought she was in ratio.

Corrective Action Plan: Effective 12/28/2021, S1 will watch the numbers of children as they come in more closely and hire additional staff to ensure that this deficiency is not recited.

Statement of Deficiencies

1719.A.-C.: Orientation Training

Not Met

1719.A.-C.: A. Within seven calendar days of the first day present at the center, and prior to assuming sole responsibility for any children, each staff member shall receive center-specific orientation to the policies and practices of the center that at a minimum shall include information on the center:

1. child abuse identification and reporting, including phone numbers for mandatory reporting and suspected child abuse and neglect;
2. location of emergency exits and emergency preparedness plans;
3. handling of emergencies due to food/allergic reactions;
4. location of first-aid supplies;
5. list of children with allergies and special needs;
6. identification of critical staff including but not limited to staff trained in CPR and first aid and staff who can administer medicine;
7. child release policies and restrictions;
8. child-to-staff ratio policies;
9. daily schedules;
10. opening policy;
11. closing policy; and
12. transportation policy and vehicle inspection procedures.

B. Within seven calendar days of the first day present at the center, and prior to assuming sole responsibility for any children, each staff member shall complete the LDE Key Training Module 1 and the DCFS online Mandated Reporter Training. Key Training Module 1 shall at a minimum include information on the following:

1. general emergency preparedness, including natural disasters and man-caused events;
2. professionalism;
3. health and safety, which includes: daily observations, supervision regulations, daily attendance, child to staff ratios, improper discipline, prohibited discipline, prevention of shaken baby syndrome, prevention of abusive head trauma and child maltreatment, food safety, choking risks recognition and reporting of child abuse and neglect;
4. administration of medication consistent with standards for parental consent;
5. prevention and response to emergencies due to food and allergic reactions;
6. appropriate precautions in transporting children, if applicable;
7. public health policies, prevention and control of infectious diseases, including immunization information;
8. handling and storage of hazardous materials and the appropriate disposal of bio-contaminants;
9. pediatric first aid and cardiopulmonary resuscitation (CPR);
10. prevention of sudden infant death syndrome and use of safe sleep practices;
11. outdoor play practices;
12. environmental safety; and
13. building and physical premises safety, including identification of and protection from hazards, bodies of water and vehicular traffic;
14. child release practices; and
15. critical incident practices and licensing regulations

C. Within 30 calendar days of the first day present at the center and prior to assuming sole responsibility for any children, each staff member shall complete the LDE Key Orientation Training Modules 2 and 3, that at a minimum shall include information on the following:

1. child development;
2. child guidance;
3. learning activities;
4. health and safety; and
5. early learning development standards.

Finding:

1719.A.-C.: Based on observations/record review at 10:20 a.m., Specialist observed that S5 (DOH:11/15/2021) lacked documentation that orientation was received within seven days of the first day present at center, and prior to assuming sole responsibility for any children. S5 also lacked documentation that additional orientation was received within thirty days of date of hire.

Corrective Action: Effective 12/28/2021, S1 stated she will have orientation completed with S5 by 12/30/2021 and will complete orientation training with all new hires within seven days of being hired to ensure that this deficiency is not re-cited.
